Where Good Sam is, Good Things Happen

"When I was young, I used to admire intelligent people; as I grow older, I admire kind people."

Abraham Joshua Heschel

Greetings! We hope this finds you all staying healthy and making the best of the situation you are in.

We are hoping that you are keeping in touch with your fellow chapter

members however you feel is appropriate. These have been hard times and it is so important to remind our friends and families that we are there for them. Loneliness is a real thing and depression can set in quickly, so please reach out to those you that can be of help to you. John and Holly

REMINDER

During this time of things starting to open up and people are starting to socialize again, please remember that any campouts or gatherings that your chapters are starting to do cannot be communicated as a Good Sam function. It's up to you individually to decide what is best for you and your group. Unfortunately the national Good Sam organization is still recommending that all GS functions be cancelled through the end of the year.
