Where Good Sam is, Good Things Happen

A word from your Director:

Greetings Oregon Good Sam Members!

November is a time when we take time to reflect back on the year and recall what we have to be thankful for. Even with all the unrest in the world, fires, the Covid-19 virus and all the political unrest, we can find things to be thankful for.... Like our family and friends, our health and hopefully a brighter tomorrow. We would also like to take the time to appreciate our Military, Law Enforcement, Emergency and all Medical workers, Firemen, and essential workers - garbage service, grocery and trucking industry, there are so many that I can only begin to name all that keep this state operating. You are not thanked enough for your dedication and service to us. THANK YOU.

We are planning events for next year and hope that you will add them to your calendars, of course this is all subject to what the state mandates regarding the Covid-19 virus. At this point in time, the national Good Sam organization has not given their blessing to our events; they are leaving it all up to the individual states to determine the events. They will not support any events until a vaccine is widely available. - we'll keep you posted as to the information that we receive.

“If you don’t like something, change it. If you can’t change it, change your attitude.... I’ve learned that people will forget what you said, people will never forget how you made them feel.” Maya..Angelou

Please see the notice from Joyce Burt, our State Treasurer regarding your dues should your chapter decide to pay them this year (only \$5 per rig membership per year), we’ve made this optional this year because of the current restrictions placed on us; however, it is important that every chapter submit their current roster and chapter officers whether or not anything has changed as soon as possible. Thank you for your support.

Holly and I want to wish you a Happy Thanksgiving!
