Where Good Sam is, Good Things Happen

A word from your Director:

Greetings! It has been a difficult holiday season in more ways than some of us care to remember, but hope that it will begin to improve sooner than later with the multiple covid vaccines now coming on the market.

Some of us have lost loved ones, been ill, and had financial setbacks, but we must keep moving forward and keep a positive outlook that things will be better this year.

Thank you to all of you who have looked out for your family, loved ones, neighbors, and our camping friends. This is what Good Sam is all about, standing with each other through hard times as well as the good fun times.

We are looking forward to many more fun times, camping, having dinner and enjoying our friendships in the coming months. With the uncertainty of the coming year, we are still planning our Samboree in June and the Pow Wow in August, we will keep you updated via the Drifter and the Oregon Good Sam website, However, we have decided to cancel the Westerners Roundup and the Spring Gathering.

A couple of thoughts for the day...

It's important to make someone happy, and it's important to start with yourself...

Stop being afraid of what could go wrong and enjoy what could go right.

Sometimes bad things happen to make the good things even sweeter.
