

OREGON RV CAMPERS ASSOCIATION

April 2023 Newsletter

"The Drifter"

"Our mission is to promote in Oregon an RV/Camping organization that creates friendships and education for members as well as goodwill and charitable experiences in our communities."

Hello ORCA Members!

Now that we've gotten our logo nailed down and accepted by the Executive Board, we decided to order vehicle decals for our RV's. Many of you had Good Sam stickers on the back of your RV's, and as we understand it, they were relatively small. Bill is "gung-ho" to advertise our ORCA logo with a 16 inch decal on our motorhome (I think he wants it to be seen from the neighboring county), but we have had some feedback from those that would prefer something more in the 8 inch range. I have ordered fifty of the 8 inch decals and we will be selling them at the Round Up in Lincoln City and the ORCA Rally in Rickreall at a nominal cost.

John and Holly Monahan have been working hard to get our first rally of the year organized for us ... The Westerners Round Up at Wapiti RV Park. Along with fun activities and great meals, it sounds as if it will be a wonderful opportunity to get a little rest and relaxation and will probably give us some free time to dust the cobwebs from our RV's and to visit Lincoln City. Don't miss the Christmas Cottage at 3305 SE Hwy 101. It has to be my favorite shop in town, and when I visit, I never miss going there. Your head will spin with how many decorations and ornaments they have. If you're looking for something unique, they have it.

Our webmaster, Gene Hancock, has been working on our new website, camporca.org. It will look familiar with many of the same layouts as OGS had, but with updated information. We are indebted to Gene for all his hard work to help us get this up and running. Gene will be adding new information in the upcoming weeks, so check it out.

They say, "April Showers Bring May Flowers", but that doesn't stop a true Oregonian from camping in the rain. Sometimes indoor activities in an RV can be just as much fun as being outdoors; get out the games, jigsaw puzzles and popcorn! However, a pair of rubber boots and an umbrella should be "must-haves" in your RV. Take a walk in the rain and stomp in those puddles like a kid and enjoy a camping trip soon!

Barb and Bill Taylor, ORCA State Directors

IMPORTANT INFORMATION REGARDING EIN **AND BUSINESS REGISTRY FOR CHAPTERS -** **PLEASE READ !!**

Many of you have been inquiring about EIN numbers and Business Registry. I have been in contact with the Oregon Secretary of State's Office, and the Oregon Department of Justice to confirm our requirements as an organization and as chapters. Every organization must have an employer identification number (EIN), even if it will not have employees. The EIN is a unique number that identifies the organization to the Internal Revenue Service and banks require it now days, especially if you have changed your chapter name and are opening new accounts. It is easily applied for online through the IRS and is free. Either chapter presidents or secretaries should apply for this at <https://www.irs-ein-tax-id.com>. According to the IRS, the person applying for the EIN must be a "responsible and duly authorized member or officer of the exempt organization." That person will use their personal information and social security number for the application. Once the EIN is established, the personal social security number will no longer be needed or used for anything. Besides their social security number, the person applying for the EIN will need to have our organization's legal name and both the mailing address and the physical address of our organization:

Legal Name: Oregon RV Campers Association

Mailing address: PO Box 434, Estacada, OR 97023

Physical address: 19319 SE Hwy 224, Damascus, OR 97089

Other information you'll need: We are classified as a non-profit 501(c)(7) social/recreation club. Starting date of ORCA is January 1, 2023, and the closing month of our accounting year is December.

Because of our tax exempt and non-profit status (and provided your chapters' gross income doesn't exceed \$50,000 per year) each chapter will be required to file a simple, IRS 990-N e-Postcard that is submitted electronically; there are **no paper forms**.

Form 990-N is due **every year by the 15th day of the 5th month** after the close of our [tax year](#). **You cannot file the e-Postcard until after our tax year ends.**

Example: Our tax year ends on December 31, so the e-Postcard is due May 15 of the following year. If the due date falls on a Saturday, Sunday or a legal holiday, the due date is the next business day. **(Instructions for Form 990-N are found on the IRS website. If you need help, please consult your State Director).**

Late Submissions: If the IRS doesn't receive your submission by the due date, a reminder will be sent to the address on file (this is why personal information is required to obtain an EIN). The organization and chapters should submit the required form, even if they are late. There is no penalty for late submissions.

While there is no penalty assessment for filing Form 990-N late, organizations that fail to file the required Form 990-N for three consecutive years will [automatically lose their tax-exempt status](#). Revocation of the organization's tax-exempt status will happen on the filing due date of the third consecutively-missed year.

Only ORCA is required to be registered with the State of Oregon. **Chapters DO NOT need to register.**

If you have any questions, please contact Barb Taylor at orcadirector@outlook.com, or 503-810-7585.

Re: Election of ORCA State Director

This is a Pre-election notification. The process to elect our State Directors begins April 15. This email is to make sure I can communicate with you and alert you to the coming election. Please email me that you received this notification.

Our State Director's term of office expires on December 31, 2023. It is the chapter's responsibility to nominate the candidates for this office. **Our current Directors, Barb and Bill Taylor have agreed to serve another 2-year term.** However, it is our responsibility to give each chapter the opportunity to also nominate candidates. If there is no opposition, then they will be the only names on the ballot.

Any nomination must be a member of ORCA and possess leadership skills such as the ability to run a business meeting, create the state newsletter "The Drifter", speak in front of large crowds and have computer literacy.

As a reminder, **please email me that you received this notification**, so I know that you are able to participate in the nomination process.

Upcoming 2023 Washington State Rallies:

Lynden Rally, May 3-7, Theme: "Springtime Festival"

Cashmere Rally, September 13-17, Theme: "Boldly Go Where No One Has Gone Before"

Bill's Joke Of The Day

Two 90-year-old women, Bertha and Blanche, had been friends all of their lives. When it was clear that Bertha was dying, Blanche visited her every day. One day Blanche said, "Bertha, we both loved playing women's softball all our lives. We started playing way back in high school. Please, do me one favor: when you get to Heaven, somehow you must let me know if there's women's softball up there". Bertha looked up from her deathbed and said, "Blanche, you've been my best friend for many years. If it's at all possible, I'll do this favor for you". Shortly after that, Bertha passed on.

A few nights later, Blanche was awakened from a sound sleep by a blinding flash of white light and a voice calling out to her ... "Blanche, Blanche!" "Who is it?" asked Blanche sitting up suddenly. "Who is it?", she asked again. "Blanche, it's me ... Bertha". "You're not Bertha; Bertha just died", said Blanche. "I'm telling you, it's me ... Bertha!", insisted the voice. "Bertha, where are you?", asked Blanche. "In Heaven", replied Bertha, who continued, "I have some really good news and a little bad news for you, Blanche." "Give me the good news first", said Blanche. "The good news," Bertha said, "is that there is indeed women's softball in Heaven! Better yet, all our old buddies who died before us are there, too. Better than that, we're all young again. Better still, it's always springtime, and it never rains or snow. And best of all, we can play softball all we want, and we never get tired." "That's fantastic," said Blanche. "It's beyond my wildest dreams! But what's the bad news, Bertha?"

"You're pitching on Tuesday."

You don't want to miss the Oregon ORCA Rally !!

June 7 - 11, Polk County Fairgrounds

The rally committee has all sorts of fun planned for you, including the hilarious "Not-So-Newlywed" game that we introduced last year, a Trivia game for those that like a challenge, Call of The Wild Animal programs, games and great food! Don't forget to enter the Stew and Muffin contests, which is a real treat for those of us who get to sample it all! The ladies of ORCA are again invited to bring their sewing machine, supplies and cut fabric to make quilts for the charity of their choice. The sewing room will be open all day, every day of the rally. We are offering a pattern here, or you can bring one of your own choice. Come in and sew on your own time!

Quilts of Hope NICU Quilt Small (38x38)

Fabric Requirements:

3/8 yard Fabric A; Cut into (3) 3 1/2" strips WOF

3/8 yard Fabric B; Cut into (3) 3 1/2" strips WOF

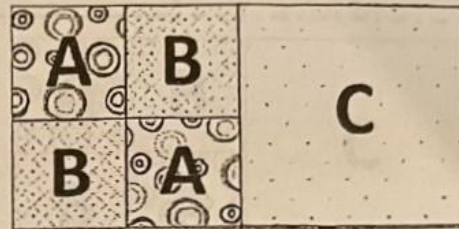

3/8 yard Fabric C; Cut into (12) 6 1/2" squares

1/4 yard Inner Border; Cut into (4) 1 1/2" strips WOF (1/6 yard will work)

1/2 yard Outer Border; Cut into (4) 3 1/2" strips WOF

* All measurements use 1/4 inch seam allowances.

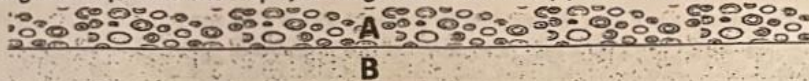

* Fabric cutting directions are for fabrics that are 42 inches wide.

Before starting, please see the Quilts of Hope guidelines on the back for thread, fabric, and other requirements.

Assembling the Blocks:

1. Using one strip A and one strip B, sew together WOF. Make (3) sets. Press seams toward the darker fabric.

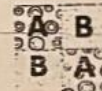

2. Cut the strips into 3 1/2" by 6 1/2" blocks to create 26 A/B blocks.

There will be extra fabric by cutting the 3 strips of 42" fabric, only 26 blocks are needed.
Cutting three strips allows for differences in fabric width.

3. Sew units of two blocks together to form a 4-patch. Make (13) 4-patch sets.

Assembling the Quilt:

1. Using the diagram below, lay out the A/B 4-patch blocks and 6 1/2" square C blocks to create rows of (5) blocks.
2. Set the 4-patch blocks in the same direction to create diagonal lines across the quilt.
3. Sew the blocks in each row together and press the seams in the direction indicated in the diagram.
4. Sew the (5) rows together as shown in the diagram.
5. Add the Inner Border, sewing the sides on first, then the top and bottom.
6. Add the Outer Border, sewing the sides on first, then the top and bottom.

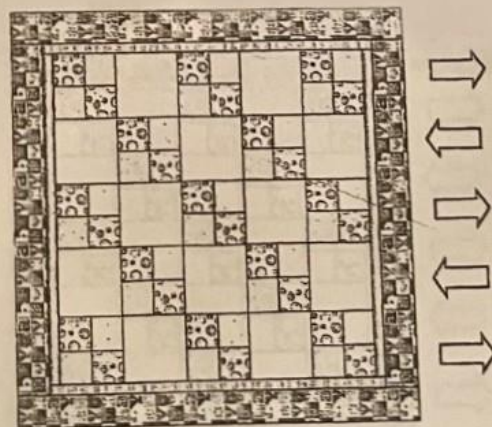

-Finished quilt top size: 38 inches x 38 inches

After Quilting:

1. Be sure to label your quilt indicating it is for Quilts of Hope NICU. Please include your first name and initial.
2. Wash the quilt in a mild, fragrance-free detergent.

*A very special thank
you from all of us at*

Arrows indicate direction to press seams for each row.

Don't forget to be saving aluminum can pull tabs! Turn them in at the Oregon ORCA Rally in Rickreall. The chapter with the most weight in tabs will win a cash prize of \$25.00! We will then sell the tabs to a recycler, and we donate the money to the Kidney Dialysis Center. It's a great cause that we enjoy supporting!

From Barb and Bill Taylor,
State Directors

Thank you to the Weekenders for inviting us to their St. Patrick's Day "Irish Stew" dinner at the home of one of their members in Salem. It was so nice getting acquainted with all of you and the meal was delicious!

Thank you to the Layover's for inviting us to their March luncheon and PowWow committee meeting which was held at the Troutdale Station Food Carts. It was great seeing you all again!

For the past ten years, Kathy Danforth, Pat Smith and Connie Morrill (along with valued others!) have planned and organized our PowWow rallies in Hood River. Unfortunate for us, the time has come for Kathy and Pat to step aside and hand the reigns over to a new committee and give others the opportunity to choose the themes and plan the events and activities that they'd like to see. This is your chance to share your opinions and talents. Kathy and Pat are willing to offer training and advice, but because of issues beyond their control, our rally in August 2023 will be the last one they can organize for us. None of us want to see the PowWow discontinued, so please consider volunteering for the PowWow committee! It really is a lot of fun to get involved and gives you a great opportunity to meet new people. We could use several volunteers to help out which makes much less work for just two or three. But again, there will be no PowWow from now on without help from our membership! Please contact Barb Taylor @ 503-810-7585 to join our committee today! Thank you!

*Goodbyes are not forever,
Goodbyes are not the end
They simply mean I'll miss you
Until we meet again*

Photos from the memorial service for Bob Simons.

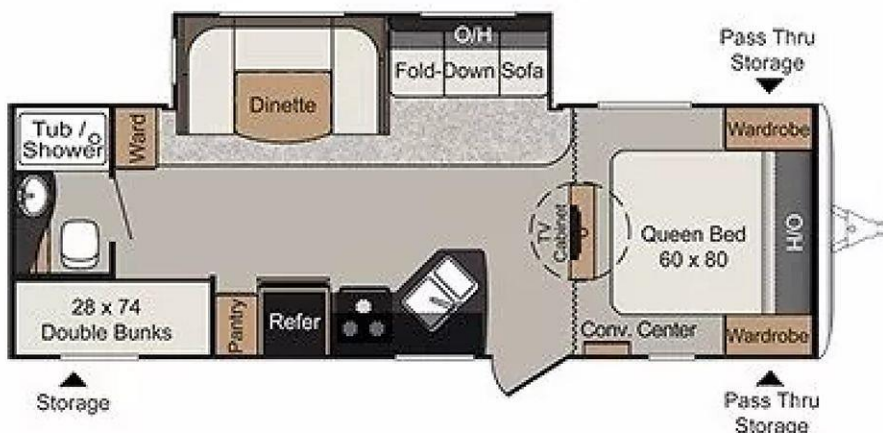

Bob Simons was honored by his family, friends, and the military at Willamette National Cemetery. As you can see from these photos, it was standing room only as guests braved the cold wind and lingering snow. Bob was loved and respected by so many people, and we will miss him dearly. His wife Judy was presented with an American flag, and a military gun salute accompanied the ceremony. It is comforting to know that Heaven has gained another angel, and Bob is soaring above keeping an eye on us and supporting our efforts to keep this organization going! Bob was the one that convinced Barb and Bill to run for State Directors, and as we are well into our second year, we hope we've made him proud. His patience, advice and guidance were instrumental in what we hope has been deemed a successful Director team. Rest easy, Bob, we've got this! ❤️
