

OREGON RV CAMPERS ASSOCIATION

August 2023 Newsletter

"The Drifter"

"Our mission is to promote in Oregon an RV/Camping organization that creates friendships and education for members as well as goodwill and charitable experiences in our communities."

Hello,

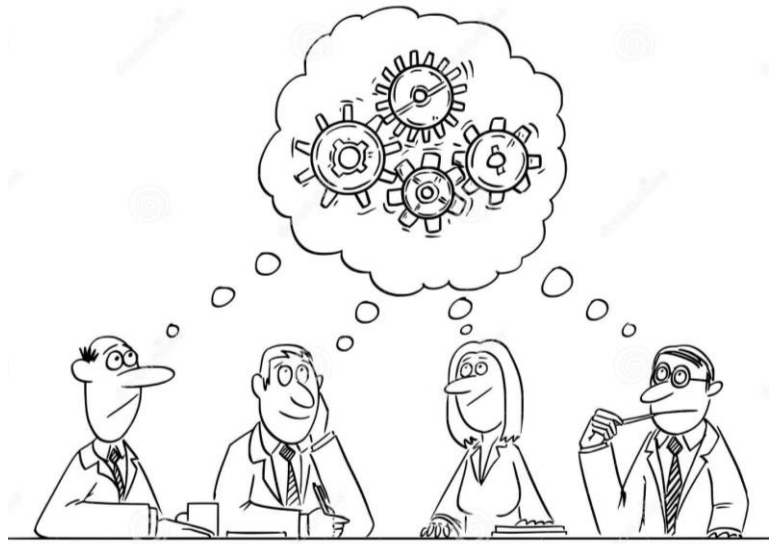

We were finally able to get away for a few days of camping recently at the Cove Palisades State Park/Lake Billy Chinook, near Madras. Bill's family (mother, siblings, aunts, uncles, cousins, 2nd cousins) have been camping there annually for over 60 years. His Aunt Eva still camps with us each year in her "Class B" RV Van and turned 99 years old last week! We can only hope that we're all able to celebrate her 100th next year at the campground. She still lives alone in her home, only uses a walker, and hardly has a gray hair on her head (in all seriousness, she probably colors it to look younger!) We should all be so lucky.

Several members of ORCA are planning a trip to Europe next month. Not knowing about this trip, it's a coincidence that Bill and I are planning a similar trip at the same time. We are starting in Reykjavik, Iceland, and then heading to Copenhagen, Denmark. From there, we are visiting several of my relatives in Sweden (four different cities/towns/villages), and then are traveling to Germany to do some family tree research for Bill. We are planning to enjoy some sightseeing and a glass of wine during an afternoon in Strasbourg, France, which is just over the border from Germany, and plan one night in Salzburg, Austria, where we will be taking a 4-hour "Sound Of Music" bus tour. We will be gone just shy of 4 weeks. This will be my fourth trip to visit my Swedish family, and I'm really excited to see them all again. There have been new babies born since the last time I was there! I have so many more relatives there than I do here in the U.S. Always bringing a nice gift for their hospitality, this time I placed a large order from the Myrtlewood Factory in Garibaldi so that they can all have a piece of Oregon and something that reminds them of us.

We look forward to seeing many of you at the PowWow in Hood River in just a few weeks!

As announced at the State Meeting for Chapter President's at the ORCA Rally in June, the positions of Secretary and Chaplain were open at that time. Steve Moist has volunteered for the position of Secretary and was accepted by the Executive Board at our Zoom meeting on August 3rd. We are now looking to fill the position of Chaplain. We have always included simple prayers at our state rallies, especially at mealtime, and would like to continue this tradition. Please consider volunteering for the position of Chaplain.

CHAPLAIN - Your role is detached from any particular religious tradition. The role is largely a formal one, but not extensive nor with many defined tasks. Typically, the duties consist of providing a prayer or some form of invocation at rally opening ceremonies, meetings, shared meals and for closing ceremonies.

Please contact Barb Taylor at 503-810-7585 to volunteer. Thank you!

SENIOR JOKES

The old man was sitting on the examining table in the doctor's office having his hearing checked. The doctor poked his light scope in the old man's ear and said, "Hey, you have a suppository in your ear!"

"Rats," said the old man. "Now I know where my hearing aid went."

"How was your blind date?"

"Terrible! He showed up in a 1932 Rolls-Royce."

"What's so terrible about that?"

"He was the original owner."

The insurance agency I work for draws business from a retirement community. Once, when applying for auto insurance for a client, I asked him how many miles he drives in a year. He said he didn't know.

"Well, do you drive 10,000 miles a year?" I asked, "or 5,000?"

He said the numbers sounded high. "What month is this?" he asked. I told him it was August.

"Maybe this will help," he said. "I filled the car with gas in February."

Attention Dog Owners, Please Read

It has come to our attention that recently a dog attending a chapter campout exhibited some aggressive behavior towards other dogs within the circle gathering. While we certainly do not plan to prohibit dogs from camping with their families, the Executive Board has decided that for the safety of our members and their pets, ORCA needs to establish certain rules for dogs attending chapter events and ORCA rallies.

- 1.** Dogs are welcome to attend chapter events and ORCA rallies but must be kept on a short, non-retractable leash while in attendance with our membership and other dogs. It is important to closely control your dog while around large crowds. A dog on a retractable leash can get tangled around objects or people, which may lead to injury, or at the very least, a potentially unpleasant situation.
- 2.** Dogs should not be brought to events where food is present, especially if their behavior is food driven.
- 3.** You know your dog best. If your dog gets overstimulated, overwhelmed, is nervous in new environments, or has exhibited aggressive behavior at any time towards humans or other dogs, it is probably best to leave him/her in your RV or in a travel crate outside your RV where it will be more comfortable. Dogs can become unpredictable and may bite with little or no provocation. A little caution on your part will keep everyone safe, including your dog.
- 4.** Incessive barking, growling, or snarling with teeth showing, will not be tolerated. Please do not bring your dog to chapter events or ORCA rallies if they possess these traits. It will be safer for all to leave them home with a caregiver.
- 5.** Beginning now, dogs who have been witnessed to cause injury to any of our members or their dogs will not be allowed to attend any of our chapter or state events in the future.

Our intention is not to discourage dogs and their owners from attending our events, but to make us all aware of situations that can be prevented to keep us all safe. There's nothing better than the snuggles of an ORCA puppy or the love of a good ORCA dog! Our goal is to include our pets, but to accept the responsibility to maintain a safe environment for both human and dog. We appreciate your cooperation and understanding.

Attention ORCA members !!!
The June 2024 ORCA Rally is just
around the corner.

Save the date on your calendars now!
ORCA Rally will be held June 19 – 23,
2024 at the Polk County Fairgrounds.

Our theme will be “**Coastal Craze**”.

Get out your sand buckets and flip flops
and join us for several days of
“beachy” fun !!

Our popular cook-off will again be a
main event. This time, the men will be
entering their favorite chowder or
soup. The ladies will be entering their
favorite cookies. You have almost a
year to perfect your recipes. We hope
to see your name on the contestant list
for
“ORCA Cook-Off 2024”.

News regarding the “Aluminum Pull Tab Project”

Quantities of pull tabs being donated at the June rally have seriously declined in the past few years, making the work of sorting, cleaning and delivering them to a recycler not worthwhile for the few dollars we earn to donate to our charity. This year at the ORCA rally, we also received a fair amount of non-aluminum tabs, which are not recyclable. The Executive Board has elected to discontinue this project.

We encourage chapters that want to continue to collect pull tabs to do this solely as a chapter event. You are welcome to take your pull tabs to a recycler and donate the earnings to the charity of your choice.

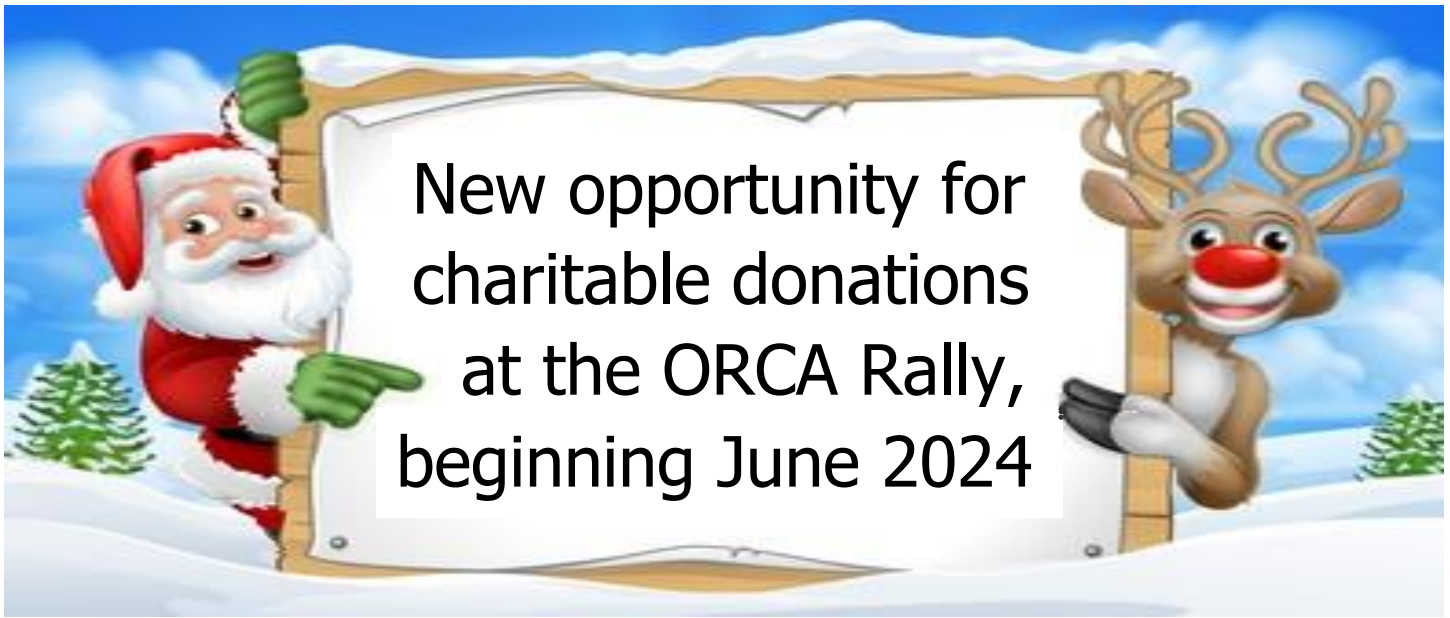

At this time, we wish to continue accepting your donations of non-perishable food at the Westerners Round Up for the Lincoln City Food Bank, and the donation of socks and underwear at the Wy'East Pow Wow for Veterans charities. Thank you!

Three brothers, age 92, 94, and 96 live in a house together.

One night, the 96 year old draws a bath, puts his foot in and pauses. He yells down the stairs, “was I getting in or out of the bath?”

The 94 year old yells back, “I don’t know, I’ll come up and see.” He starts up the stairs and pauses, then yells, “was I going up the stairs or coming down?”

The 92 years old was sitting at the kitchen table having coffee and was listening to his brothers. He shakes his head and says to himself, “I sure hope I never get that forgetful.” He knocks on the wood table for good luck. He then yells, “I’ll come up and help both of you just as soon as I see who’s at the door.”

As a charitable organization, ORCA prides itself on supporting those in the communities where our rallies are held. The State Directors of ORCA have selected a new project to help those in need in Polk County. CASA of Polk County, Inc., works to recruit, train, guide, and support well-trained volunteer advocates to be a voice in court for abused and neglected children and youth in the judicial dependency system of Polk County, Oregon. These children have been removed from dangerous situations at home and are in foster care.

CASA holds a holiday toy drive for these children each year, and we feel this would be a worthwhile, heartwarming opportunity to support children in crisis. Nothing is better than seeing the joy and excitement on a child's face who otherwise may not receive a gift at Christmas. CASA is requesting new, unwrapped toys for the little ones and/or gift cards for their youth ... ages newborn to 18 years ... boys and girls.

Aware that we're announcing this extremely early, this charitable project will commence at our ORCA Rally in June 2024, but notifying our membership now gives us ample opportunity to perhaps catch some holiday sales this coming season. We are confident that our ORCA membership will embrace this new project and have a lot of fun with it. Please watch the video at www.casaofpolk.com to learn more about CASA and to inspire you to want to make a difference in a child's life. If each one of our male members purchased a gift for a boy, and each female member purchased a gift for a girl, we'd have a tremendous number of gifts to donate, and a fairly even distribution of boy/girl gifts.

As an added surprise, we learned that one of the CASA volunteer staff we'll be working with is Amber Calef, sister-in-law of Matt Calef, who is storing our utility trailer at his farm in Rickreall. Small world !!

Doug Rush

Born October 12, 1944 ~ Died July 11, 2023

Doug was married to Carol (who passed in 2013) and has two children, Rusty and Ginger.

He worked at ESCO Steel Works for 30+ years.

After he lost Carol, he continued to camp with the Spruce Runners chapter, which he joined in 2004; but enjoying people, camping, playing cards and all the food, Doug also joined the Westside Wanderers chapter in 2015. One of his favorite card games was Hand & Foot. He was always providing plenty of ice cream at the potlucks.

His kindness and fun-loving nature will be missed by all.

Doug is survived by his children, Rusty and Ginger and families, and by his companion, Athena Coupland.

Athena and Doug

There will be a potluck "Celebration of Life" at Doug's home on August 5th, 2023. The address is 16780 SW High Hill Lane, Beaverton, Oregon, beginning at 1:00 pm. Please bring chairs and a potluck dish.

If you can't make it, sit down with a bowl of ice cream, and remember the good times you spent with Doug!
