Happy New Year Everyone!

The past four years have seen many changes for members of ORCA. Change within our chapters but more so, change within our organization. Barb and Bill Taylor, as ORCA's first State Directors, have earned a huge thank you for creating a legal entity for us all to enjoy.

Those of you who have been members of ORCA know that the State Board is made up of the State Directors and several Assistant State Directors. We are also lucky to have a slate of workers filling positions ranging from clerical to just plain hard work. It takes a team to run an organization and ORCA is lucky to have a team that works well together. We don't always agree but we do manage to reach agreements. Teamwork at its finest.

Dale and I may bump our heads a few times as we work together to keep ORCA, its Chapters and Rallies organized. Feel free to offer your advise and ideas. We will be doing our best to keep everyone smiling.

Dee and Dale Veenendaal

As 2026 gets up and running, we would like to share a couple of “activity thoughts”.

Our feet may be getting older but it is still our prerogative to keep our minds and bodies busy.

Joining ORCA to camp with friends, both old and new, is one way to keep busy. When our friends no longer camp we have a couple of options:

1. Join another chapter
2. Plan lunch, movie, golf, bowling, cards or any other activity that brings you and your friends together.
3. Do both. Join a new chapter and plan activities with old friends.

We hope to see all of you at the ORCA Rallies in 2026. New faces are always welcome. New ideas implementing your thoughts and skills are always needed. Please feel free to contact us with your ideas.

HAPPY NEW YEAR!
